

Security Procedures

The safety and security of your child is our priority. Our campus is gated and monitored by cameras and our Security Director. Due to security guidelines, no parents or visitors are permitted in our school buildings without a scheduled appointment or event.

Security at Dismissal

No individual, other than the parent, may pick up a child from school unless they are listed on the pick-up list located on the child's emergency information. Please advise the designated person that they must show a valid picture ID. Children will not be released unless the school has written permission from the parent.

If someone not listed on the carpool pick-up form is picking up your child, you must notify the school by calling the school office at 786-279-7899 or by informing the teacher in writing via Brightwheel or via e-mail.

Emergency Weather Closing Procedures

Emergency information will be sent out via Brightwheel and e-mail messages.

Suzy Fischer Early Childhood Academy will follow Miami-Dade County Public School closings for weather emergencies. The reopening of the school is at the discretion of Suzy Fischer Early Childhood Academy. If dangerous weather conditions develop during school hours, it may be necessary to dismiss classes early and we will notify you. In the event of a power outage, which precludes our ability to contact parents, we will do our best to make those contacts as soon as we have a way to communicate.

Emergency Procedures/Drills

Fire Drills and Emergency Procedures are essential for ensuring the safety of all students, faculty, and staff. All Suzy Fischer Early Childhood Academy students are required to follow the instructions and guidelines for the numerous types of emergency procedures. Students are required to follow directions at all times, walk silently and orderly in a timely manner, remain quiet and calm, go to their assigned waiting area, line-up quietly, stay with their teacher and class, and listen for further directions.
